

Dr. Glenn Frommer

Biography

Dr. Glenn Frommer is the Head of Sustainability Development for the Mass Transit Railway Corporation where he has worked since 1992. He has the responsibility for implementing MTRC's sustainability policies for the Corporation's railways, properties and associated activities, and reporting on these achievements through the MTRC's internationally benchmarked Sustainability Reports. He is a member and fellow of several international and Hong Kong professional, associations. He is current Chair of the Sustainable Development Commission for the International Association of Public Transport (UITP) and a past Chair of the Hong Kong Institute of Environmental Impact Assessment (HKIEIA). Dr. Frommer received his Doctorate from Stanford University in 1977 and was a Fulbright Fellow in Denmark 1977-78.
